NOTE duration:"00:03:37.3870000"

NOTE language:en-us

NOTE Confidence: 0.817026853561401

00:00:00.000 --> 00:00:01.149 I'm Kevin billingslea.

NOTE Confidence: 0.817026853561401

 $00{:}00{:}01{.}149 \dashrightarrow 00{:}00{:}04{.}301$  I'm the Chief Medical officer of the Smilow

NOTE Confidence: 0.817026853561401

00:00:04.301 --> 00:00:07.087 Cancer Hospital in the Yale Cancer Center,

NOTE Confidence: 0.817026853561401

 $00{:}00{:}07{.}090 \dashrightarrow 00{:}00{:}09{.}694$  and I'm also a professor of surgical

NOTE Confidence: 0.817026853561401

 $00:00:09.694 \rightarrow 00:00:12.609$  on cology in the Yale School of Medicine.

NOTE Confidence: 0.817026853561401

 $00:00:12.610 \rightarrow 00:00:15.000$  My specialty is the multidisciplinary

NOTE Confidence: 0.817026853561401

 $00:00:15.000 \rightarrow 00:00:17.390$  treatment in the surgical treatment

NOTE Confidence: 0.817026853561401

00:00:17.463 -> 00:00:19.885 of patients with tumors of the liver,

NOTE Confidence: 0.817026853561401

00:00:19.890 --> 00:00:21.171 pancreas, bile ducts,

NOTE Confidence: 0.817026853561401

 $00:00:21.171 \longrightarrow 00:00:22.879$  and other gastrointestinal organs.

NOTE Confidence: 0.817026853561401

 $00{:}00{:}22.880 \dashrightarrow 00{:}00{:}25.540$  I have wanted to be a physician

NOTE Confidence: 0.817026853561401

 $00:00:25.540 \longrightarrow 00:00:28.652$  since I was a youngster and as

NOTE Confidence: 0.817026853561401

00:00:28.652 --> 00:00:31.007 my interest in medicine grew,

NOTE Confidence: 0.817026853561401

 $00:00:31.010 \rightarrow 00:00:33.859$  I learn more and more about surgery

- NOTE Confidence: 0.817026853561401
- 00:00:33.859 --> 00:00:35.720 in particularly cancer surgery,

NOTE Confidence: 0.817026853561401

 $00:00:35.720 \longrightarrow 00:00:38.420$  in the opportunity to make a

NOTE Confidence: 0.817026853561401

 $00:00:38.420 \longrightarrow 00:00:40.735$  really meaningful impact on peoples

NOTE Confidence: 0.817026853561401

00:00:40.735 --> 00:00:42.880 lives in a positive way.

NOTE Confidence: 0.817026853561401

 $00:00:42.880 \longrightarrow 00:00:45.382$  And an impact that could be

NOTE Confidence: 0.817026853561401

 $00:00:45.382 \rightarrow 00:00:46.633$  experienced immediately was

NOTE Confidence: 0.817026853561401

 $00:00:46.633 \rightarrow 00:00:48.927$  very appealing to me years ago,

NOTE Confidence: 0.817026853561401

 $00:00:48.930 \rightarrow 00:00:51.426$  and it continues to be enormously

NOTE Confidence: 0.817026853561401

 $00:00:51.426 \rightarrow 00:00:53.928$  rewarding to this day caring for

NOTE Confidence: 0.817026853561401

 $00:00:53.928 \rightarrow 00:00:56.574$  cancer patients is not just a job,

NOTE Confidence: 0.817026853561401

 $00:00:56.580 \longrightarrow 00:00:57.678$  it's a calling.

NOTE Confidence: 0.817026853561401

 $00{:}00{:}57.678 \dashrightarrow 00{:}01{:}00.240$  And I find that the biggest thing

NOTE Confidence: 0.817026853561401

 $00:01:00.318 \longrightarrow 00:01:03.300$  that draws me to caring for patients

NOTE Confidence: 0.817026853561401

 $00{:}01{:}03.300 \dashrightarrow 00{:}01{:}05.858$  is the relationships I have with

NOTE Confidence: 0.817026853561401

 $00:01:05.858 \dashrightarrow 00:01:07.863$  my patients and their families.

NOTE Confidence: 0.817026853561401

00:01:07.870 --> 00:01:10.276 I have the privilege of spending,

NOTE Confidence: 0.817026853561401

 $00:01:10.280 \longrightarrow 00:01:10.888$  really.

NOTE Confidence: 0.817026853561401

 $00:01:10.888 \longrightarrow 00:01:13.928$  Difficult but rewarding times with

NOTE Confidence: 0.817026853561401

 $00:01:13.928 \longrightarrow 00:01:16.900$  patients and families during a

NOTE Confidence: 0.817026853561401

 $00:01:16.900 \dashrightarrow 00:01:20.071$  period of life that is difficult but

NOTE Confidence: 0.817026853561401

 $00:01:20.071 \rightarrow 00:01:22.816$  meaningful and it is gratifying to

NOTE Confidence: 0.817026853561401

 $00{:}01{:}22.816 \dashrightarrow 00{:}01{:}25.921$  work with people and help guide them

NOTE Confidence: 0.817026853561401

 $00:01:25.921 \longrightarrow 00:01:28.326$  through these these difficult times.

NOTE Confidence: 0.817026853561401

00:01:28.330 --> 00:01:31.466 I'm fortunate to work in a Cancer Center

NOTE Confidence: 0.817026853561401

 $00:01:31.466 \rightarrow 00:01:34.580$  where we have outstanding clinicians,

NOTE Confidence: 0.817026853561401

 $00:01:34.580 \longrightarrow 00:01:35.684$  nurses, technicians,

NOTE Confidence: 0.817026853561401

 $00:01:35.684 \rightarrow 00:01:37.892$  pharmacists and an entire

NOTE Confidence: 0.817026853561401

 $00:01:37.892 \rightarrow 00:01:40.100$  multidisciplinary team that comes

NOTE Confidence: 0.817026853561401

 $00:01:40.178 \rightarrow 00:01:42.386$  together to work on your behalf.

NOTE Confidence: 0.817026853561401

 $00:01:42.390 \longrightarrow 00:01:45.029$  Know that I am going to use

NOTE Confidence: 0.817026853561401

 $00:01:45.029 \rightarrow 00:01:47.290$  all of my technical,

- NOTE Confidence: 0.817026853561401
- 00:01:47.290 --> 00:01:49.070 medical and administrative skill
- NOTE Confidence: 0.817026853561401
- $00:01:49.070 \longrightarrow 00:01:51.740$  to help you heal and recover.
- NOTE Confidence: 0.817026853561401
- 00:01:51.740 --> 00:01:54.701 Bringing a family member or a partner
- NOTE Confidence: 0.817026853561401
- $00:01:54.701 \rightarrow 00:01:58.151$  or a support person is absolutely an
- NOTE Confidence: 0.817026853561401
- $00:01:58.151 \rightarrow 00:02:01.295$  essential part of the healing process.
- NOTE Confidence: 0.817026853561401
- 00:02:01.300 --> 00:02:04.240 None of us should be going through
- NOTE Confidence: 0.817026853561401
- $00:02:04.240 \longrightarrow 00:02:07.398$  cancer care alone and I will say
- NOTE Confidence: 0.817026853561401
- $00:02:07.398 \rightarrow 00:02:09.663$  that the emotional and psychosocial
- NOTE Confidence: 0.817026853561401
- 00:02:09.663 --> 00:02:12.661 piece of our Wellness in our
- NOTE Confidence: 0.817026853561401
- 00:02:12.661 --> 00:02:14.633 journey towards recovery really
- NOTE Confidence: 0.817026853561401
- 00:02:14.633 --> 00:02:17.896 relies on us creating a sense of
- NOTE Confidence: 0.817026853561401
- $00{:}02{:}17.896$  -->  $00{:}02{:}19.279$  connection and community.
- NOTE Confidence: 0.817026853561401
- $00:02:19.280 \longrightarrow 00:02:23.429$  And we try to do that here at Smilow.
- NOTE Confidence: 0.817026853561401
- $00:02:23.430 \longrightarrow 00:02:26.965$  But we also very much encourage patients
- NOTE Confidence: 0.817026853561401
- $00{:}02{:}26.965 \dashrightarrow 00{:}02{:}30.668$  to engage friends and family and and
- NOTE Confidence: 0.817026853561401

 $00:02:30.668 \rightarrow 00:02:33.806$  cultivate their their network of support.

NOTE Confidence: 0.817026853561401

 $00{:}02{:}33.810 \dashrightarrow 00{:}02{:}36.486$  My research interests really focus on

NOTE Confidence: 0.817026853561401

 $00{:}02{:}36.486 \dashrightarrow 00{:}02{:}39.772$  clinical research and the ways that we

NOTE Confidence: 0.817026853561401

 $00:02:39.772 \rightarrow 00:02:42.622$  optimize systems to deliver the best

NOTE Confidence: 0.817026853561401

00:02:42.622 --> 00:02:44.868 multidisciplinary care to cancer patients,

NOTE Confidence: 0.817026853561401

 $00:02:44.870 \longrightarrow 00:02:46.256$  particularly patients with

NOTE Confidence: 0.817026853561401

 $00:02:46.256 \longrightarrow 00:02:47.180$  gastrointestinal cancer.

NOTE Confidence: 0.817026853561401

 $00{:}02{:}47.180 \dashrightarrow 00{:}02{:}49.856$  I do that through participating in

NOTE Confidence: 0.817026853561401

 $00:02:49.856 \rightarrow 00:02:52.250$  clinical trials through outcome studies,

NOTE Confidence: 0.817026853561401

 $00:02:52.250 \rightarrow 00:02:55.786$  as well as work we're doing right here

NOTE Confidence: 0.817026853561401

 $00{:}02{:}55{.}786 \dashrightarrow 00{:}02{:}59{.}166$  at smilow in the Yale Cancer Center.

NOTE Confidence: 0.817026853561401

 $00:02:59.170 \rightarrow 00:03:02.964$  To optimize our processes of care delivery.

NOTE Confidence: 0.817026853561401

 $00:03:02.970 \longrightarrow 00:03:05.469$  It is an honor and a privilege

NOTE Confidence: 0.817026853561401

 $00:03:05.469 \longrightarrow 00:03:08.240$  for me to care for patients.

NOTE Confidence: 0.817026853561401

00:03:08.240 --> 00:03:09.692 Here I am.

NOTE Confidence: 0.817026853561401

 $00:03:09.692 \rightarrow 00:03:13.080$  Fortunate to be surrounded by an absolutely

- NOTE Confidence: 0.817026853561401
- 00:03:13.178 --> 00:03:16.678 outstanding group of clinical partners,
- NOTE Confidence: 0.817026853561401
- 00:03:16.680 --> 00:03:18.759 including our nurses,
- NOTE Confidence: 0.817026853561401
- $00:03:18.759 \dashrightarrow 00:03:20.838$  pharmacists and technicians.
- NOTE Confidence: 0.817026853561401
- 00:03:20.840 --> 00:03:23.352 You can be assured that the surgical care
- NOTE Confidence: 0.817026853561401
- $00:03:23.352 \rightarrow 00:03:26.540$  that I provide will be absolutely first rate.
- NOTE Confidence: 0.817026853561401
- $00{:}03{:}26{.}540 \dashrightarrow 00{:}03{:}28{.}670$  We're all dedicated to your healing,
- NOTE Confidence: 0.817026853561401
- $00{:}03{:}28.670 \dashrightarrow 00{:}03{:}29.738$  your well being,
- NOTE Confidence: 0.817026853561401
- $00{:}03{:}29{.}738 \dashrightarrow 00{:}03{:}30{.}806$  and your comfort.
