- Access to supportive care clinicians, including an oncology nurse coordinator, social workers, a dietician, clinical research staff, palliative care, and survivorship planning

“...Smilow quality care to our patients in Rhode Island, providing them access to a National Cancer Institute-designated Comprehensive Cancer Center and its innovative care and clinical advances. We continually coordinate with our colleagues in New Haven to ensure all treatment options are reviewed through multidisciplinary tumor boards, and each patient receives personalized cancer care.”

— Dr. Robert Legare
Medical Director
