

New Head & Neck Cancers Multidisciplinary Clinic at Park Avenue Medical Center

The first Head & Neck Cancers multidisciplinary clinic in Fairfield County is now available for patients at Park Avenue Medical Center. This clinic enables patients to meet with multiple, highly-skilled Smilow Cancer Hospital specialists in a single appointment, including a head and neck surgeon, radiation oncologist, medical oncologist, physical and speech therapists, nutritionists, advanced practice nurses, and social workers. This team approach provides newly diagnosed patients with a carefully determined treatment plan focused on providing the most comprehensive, effective care possible.

This clinic is now available from Smilow Cancer Hospital at the Park Avenue Medical Center on Tuesdays

5520 Park Avenue | Trumbull, CT 06611 | For appointments, please call: (203) 337-8512

The Head & Neck Cancers Program at Smilow Cancer Hospital is composed of highly dedicated physicians and surgeons joined by a skilled team of rehabilitation specialists in speech, swallowing, and hearing restoration.

A dedicated patient navigator helps patients through their appointment process. A collaborative approach to care offers the most effective of treatment options for diseases affecting the ear, sinuses, larynx, and pharynx, while emphasizing our organ-sparing mission.
