- Clinical trials, available only through Yale Cancer Center
- Lab and Pharmacy services on site for patients’ convenience
- Access to supportive care clinicians, including an oncology nurse coordinator, social workers, a dietician, clinical research staff, palliative care, and survivorship planning

“Smilow Cancer Hospital Care Center at Greenwich brings Smilow quality care to our patients from Fairfield and Westchester counties, providing them unique access to a National Cancer Institute-designated Comprehensive Cancer Center and its clinical trials and advances. Our physicians coordinate with our colleagues in New Haven to ensure all treatment options are reviewed through multidisciplinary tumor boards, and each patient receives personalized cancer care.”

— Dr. M. Sung Lee, Medical Director
