Thrombosis and Hemostasis Society of North America (THSNA) Annual Meeting 2022

FACTOR VIII LEVELS AND INTERNATIONAL SOCIETY ON THROMBOSIS AND HEMOSTASIS (ISTH) DISSEMINATED INTRAVASCULAR COAGULATION (DIC) SCORES DO NOT DISCRIMINATE COAGULOPATHY OF LIVER DISEASE FROM DIC
Cecily Allen1, Marina Heskel1, Ayesha Butt2, Alexander Pine2, Alfred Lee2. 1Yale School of Medicine, Dept. of Internal Medicine, New Haven, CT, USA. 2Yale School of Medicine, Dept. of Hematology, New Haven, CT, USA

PLASMA PROTEOMIC PROFILING IDENTIFIES UNIQUE SIGNATURES OF ENDOTHELIAL ACTIVATION AND INFLAMMATION UNDERLYING PROGNOSTIC MARKERS OF HYPERCOAGULATION IN ALCOHOLIC CIRRHOSIS
Cecily Allen1, Ayesha Butt2, Parveen Bahelas3, C-Hong Chang4, Hyung J Chun4, Sean Gu4, John Hwa4, Sofia S Jakabs5, Matthew J McConells6, Henry Rinder3, Uyen Tos, Robert Bona2, Alfred I Lee2, Alexander B Pine2. 1Internal medicine residency, Yale New Haven Hospital, New Haven, CT, USA. 2Section of Hematology, Yale School of Medicine, New Haven, CT, USA. 3Department of Laboratory Medicine, Yale New Haven Hospital/Yale School of Medicine, New Haven, CT, USA. 4Yale Cardiovascular Research Center, Section of Cardiovascular Medicine, New Haven, CT, USA. 5Section of Digestive Diseases, Yale School of Medicine, New Haven, CT, USA

PREVALENCE AND CLINICAL CHARACTERISTICS OF JOINT BLEEDS IN THOSE PRESENTING WITH MILD HEMOPHILIA
John B. Chiari BS1, Stephanie Prozora, MD2, Patrick G. Gallagher, MD2, Robert Bona, MD3. 1Frank H. Netter MD School of Medicine, Quinnipiac University, North Haven, CT, USA. 2Yale University, Department of Pediatrics, New Haven, CT, USA. 3Yale University, Department of Internal Medicine/Hematology, New Haven, CT, USA

POSTOPERATIVE BLEEDING OUTCOMES IN PATIENTS WITH COAGULATION FACTOR DEFICIENCIES
Marina J. Heskel, Stephanie Prozora, Jennifer Cornell, Kristina Selander, Evangelia Louizos, Patrick G. Gallagher, Robert Bona. Yale University School of Medicine, New Haven, CT, USA

REAL-WORLD EFFECTIVENESS OF OCTOCOG ALFA TO TREAT HEMOPHILIA A IN JAPAN AND THE UNITED STATES
Michael Recht1, Ei Kinaiz2, Masashi Takiz3, Sayaka Tachikawa4, Ryan Fare5, Thomas Moultons, Midori Shima6, Martin Chandler1, Katsuyuki Fukutake2, 7. 1American Thrombosis a Hemostasis Network, Rochester, NY, USA. 2Department of Laboratory Medicine, Tokyo Medical University, Tokyo, Japan. 3Department of Pediatrics, St. Marianna University School of Medicine, Kawasaki City, Japan. 4Bayer Yakuhin, Ltd, Osaka, Japan. 5Bayer U. S. LLC, Whippany, NJ, USA. 6Department of Pediatrics, Nara Medical University, Nara, Japan. 7Department of Blood Coagulation, Ogikubo Hospital, Suginami City, Japan
MULTIPLY YEAR DURATION DATA FROM A PHASE 2b TRIAL OF GENE THERAPY WITH ETHERETAGEN DEZAPAROVEC IN PATIENTS WITH HEMOPHILIA B

Esteban Gomez1, Adam Giemzas2, Giancarlo Castamans, Nigel S. Key4, Susan Lattimore5, Frank W. G. Leebeek6, Wolfgang A. Miesbach7, Michael Rechts, Annette von Drygalskis, David Cooper9, 10, Yanyan Li11, Blanca Salazar11, Steven W. Pipe12. 1Phoenix Children's Hospital, Phoenix, AZ, USA. 2University of California Davis, Sacramento, CA, USA. 3Azienda Ospedaliera Universitaria Careggi, Florence, Italy. 4University of North Carolina, Chapel Hill, NC, USA. 5Oregon Health a Science University, Portland, OR, USA. 6Erasmus University Medical Center, Rotterdam, Netherlands. 7University Hospital Frankfurt, Frankfurt, Germany. 8University of California San Diego, La Jolla, CA, USA. 9uniQure BV, Amsterdam, Netherlands. 10uniQure Inc, Lexington, MA, USA. 11CSL Behring, King of Prussia, PA, USA. 12University of Michigan, Ann Arbor, MI, USA

COLLABORATION FOR THE LONG-TERM FOLLOW-UP OF PEOPLE WITH HEMOPHILIA TREATED WITH GENE THERAPY: WORLD FEDERATION OF HEMOPHILIA - AMERICAN THROMBOSIS AND HEMOSTASIS NETWORK

Donna Coffin1, Barbara Konkle1, 2, Mayss Naccache1, Cary Clark3, Lindsey George4, Alfonso Iorio5, Wolfgang Miesbach6, Declan Noone7, Flora Peyvandi8, Steve Pipe9, Michael Recht10, Mark Skinner11, Leonard A. Valentino12, Johnny N. Mahlangu13, Glenn Pierce1. 1World Federation of Hemophilia, montreal, QC, Canada. 2University of Washington, Seattle, WA, USA. 3International Society on Thrombosis and Haemostasis, Carrboro, NC, USA. 4The Children's Hospital of Philadelphia, Philadelphia, PA, USA. 5McMaster University, Hamilton, ON, Canada. 6University Hospital Frankfurt, Frankfurt, Germany. 7European Haemophilia Consortium, Brussels, Belgium. 8Department of Pathophysiology and Transplantation, Universita degli Studi di Milano, Milan, Italy. 9University of Michigan, Ann Arbor, MI, USA. 10American Thrombosis and Hemostasis Network, Rochester United States. 11Institute for Policy Advancement Ltd, Washington, WA, USA. 12National Haemophilia Foundation, New York, NY, USA. 13University of the Witwatersrand, Johannesburg, South Africa

ATHN 16: SAFETY OF COAGULATION FACTOR VIIIA (RECOMBINANT)-JNWC FOR THE TREATMENT OF BLEEDING EVENTS IN PATIENTS WITH CONGENITAL HEMOPHILIA A OR B WITH INHIBITORS WITH OR WITHOUT PROPHYLACTIC TREATMENT

TAMMUELLA CHERENTERY-SINGLETON1, W. ALLAN ALEXANDER2, AHMAD AL-SABBAGH3, DANIEL BONZO3, MICHAEL U. CALLAGHAN4, MIGUEL ESCOBAR5, ADAM GIERSZ6, M. NIKKI HIRSH7, JANNA JOURNEYCAKE8, SONIA NASR9, DORIS V. QUON10, MARK REDING11, Michael Recht7, 1Louisiana Center for Advanced Medicine, Slidell, LA, USA. 2Aoede Associates, Louisville, KY, USA. 3LFB-USA, Inc, Framingham, MA, USA. 4University of Michigan, Detroit, MI, USA. 5University of Texas Health Science Center, Houston, TX, USA. 6University of California, Davis, Sacramento, CA, USA. 7American Thrombosis and Hemostasis Network, Rochester, NY, USA. 8Oklahoma Center for Bleeding and Clotting Disorders at OU Health, Oklahoma City, OK, USA. 9GLOVAL LLC, Broomfield, CO, USA. 10Orthopaedic Hemophilia Treatment Center, Los Angeles, CA, USA. 11University of Minnesota, Minneapolis, MN, USA. 12University of California, San Diego, CA, USA

REAL-WORLD EFFECTIVENESS OF DAMOCTOCOG ALFA PEGOL IN MILD AND MODERATE HEMOPHILIA A PATIENTS AGED 12 YEARS AND OLDER IN THE ATN DATABASE

Martin Chandler1, Lena Charafi2, Thomas Moulton2, Michael Recht1, 1American Thrombosis a Hemostasis Network, Rochester, NY, USA. 2Bayer, Whippany, NJ, USA

A COMMUNITY EFFORT TO DEVELOP A NATIONAL RESEARCH BLUEPRINT FOR INHERITABLE BLEEDING DISORDERS

Maria E. Santaella1, Michelle L. Witkop1, Michael Recht2, Keri Norris3, Brett Spitaleri1, Esmeralda Vazquez1, Donna M. DiMichelle3, Kevin Mills1. 1National Hemophilia Foundation, New York, NY, USA. 2American Thrombosis and Hemostasis Network, Rochester, NY, USA. 3Donna DiMichelle Consulting, LLC, Washington, DC, USA
